

## Knoxville Meeting Minutes – Saturday, 14 Nov 2015

Karns Public Library  
3 pm- ?

Called by: Peter Campbell, LEGO Ambassador

### Attendees

Peter Campbell, Matthew Comer, Michael Dayah & Jeannette O'Neal, Michelle & Richard Frostell, Katie & Marty Mitchell, Maxine & Michael Pimienta, Shannon A. & Shannon L. Shaw

### Minutes

- We welcomed new member Matthew Comer.
- NormalPalooza went well, Marty & Katie brought several MOCs.
- Next meeting January 9<sup>th</sup> (weekend before Brickfair). It will be a social meeting.
- Brickblast- Huntsville Dec. 5<sup>th</sup> & 6<sup>th</sup>. If people can't make it but want to bring a MOC send with Pete.
- Brickfair- 4 days Jan. 14-17 (Thu-Sun). Sat and Sun public days. Opening ceremonies Thursday evening, closing ceremonies Thursday evening (lots of giveaways.) Registration is free, need to pay by end of year. Pete's leaving Wednesday night so he'll need MOCs by then. It's a 4 hr drive from West Knoxville. Last year about 30 club members went. We discussed the boat race.
- LUGbulk- Charles is the coordinator, will send email on what to expect. Good for items in quantity and it will take a long time. Any currently made part is eligible (currently in production). Send Charles a list of parts you're interested in. List has to be whittled down to 85 in total. 1. Each individual participant has until December 15<sup>th</sup> to go to the website to sign up, and be sure to let Pete know. 2. Club minimum value- probably won't be a problem. Also, individual maximum value of around \$300. 3. Start or end of February- submit order. Can take a couple months for invoice, then payment due (mail check) to Charles. 4. Pete will go to Huntsville to pick up our orders.
- Set draft: 31031 Rainforest Animals.
- NormalPalooza slideshow by Pete.
- Pete talked with the people at MUSE about event at end of summer vacation- indoor event in Jacob Building. Possible spring event at MUSE. He also spoke with Hobbytown- possible in-store display next year. Also talking with people from Beyond Brick about events.
- Pete presented LEGO CAD slideshow.
