Discussions:

This meeting was held at the Botanical Garden gazebo room. Botanical Garden show will be April 21.

Discussion was primarily about the display for the Botanical Garden. We can get in to set up Friday between 7am and 5pm. We can get in Saturday morning at 7am with the public arriving at 9am. Show ends at 5pm.

We sketched out a plan for the collaborative display and decided where to place moc tables.

Some LUG support left over from last year was drafted. Mostly just odds and ends.
