**Discussions:**

Did a "Dirty Brickster" gift exchange – tons of fun, but not much stealing, try to do better next time

Spent the rest of the meeting sorting the brick from the Botanical Garden show into 36 gallon bags of semi-random bricks to give to the Boys & Girls Club. Chris delivered them to the Club and they were handed out to children in time for Christmas. The Club was very appreciative.

January meeting would coincide with BrickFair Alabama. So no meeting.

Not a great turnout for BrickFair this year. Caleb, Josh, Sean, and Frank went from Huntsville.
