Officers

Need nominations by end of March, elections at April Meeting. Nashville has a different set of officers.

VP – communications and meetings

Event Coord. – Delegates and manages events, Nashville has more than Huntsville

LugBulk Coord. – works with Charles to select parts and distribute bricks.

Promotions – advertising of events.

Sean showed some new car designs he has been working on.

Frank brought some stuff for trades.

Time slipped up on us and we missed having a February meeting.

Next meeting 4/20 hopefully in the Foundation room at the library.
