RailFest Chattanooga, Sep 7, 8, & 9
ICCC in Franklin TN, Sep 13, 14, & 15

Madison Street Festival, Oct 5 – this is a request, it will depend on interest.

Next AFOL day Aug 3. Chris is planning to go and has seats available for interested passengers. Also open to caravanning with other cars. Several folks from Nashville are interested in a parts draft afterward. Chris plans to depart Huntsville no later than 7am. He needs headcount for those interested in riding/caravanning and those interested in the draft. The plan is to buy multiple sets from the store and part them out afterward. Buy-in would be the cost of the set chosen.
